Paridad Education Consulting

5315 N. Clark St. # 229

Chicago, IL 60640

Steep yourself in the rich culture, fascinating artistic traditions, vibrant history, and linguistic variety found in one of the most beautiful places in the Americas. The city of Oaxaca and its surroundings will serve as our living classroom for a 9-day Institute focused on language, culture, and art. As a UNESCO World Heritage Site, Oaxaca will deeply affect the way you approach education and how you view the cultural and linguistic assets that students bring to their learning. We invite you to join us for this unforgettable experience.

Hermanos, Hermanas abramos el corazon como una flor
que espera el rayo del sol por las mananas,
sembraremos sueños y cosechemos esperanzas,
recordando que esa construccion solo se puede hacer abajo,
a la izquierda y del lado del corazon. / Neli Catiño

Field Experiences and Site-based Projects with Featured Artists

During the nine-day Institute, we will visit **archaeological sites**, the studios of **world-recognized artists**, local **artisans**, colorful **indigenous markets**, and unique **cultural museums**—all within this magnificent city. The presentations, activities, and field experiences will be guided by education experts, language scholars, and celebrated Oaxacan artists. **Each field experience will focus on linguistically and culturally appropriate themes and topics related to art, culture, and language integration.** Participants will capture, amplify, and share their experiences through the use of a variety of technologies.

Please join us for this transformative learning experience!

For periodic updates regarding the Institute and our featured speakers, please visit our Oaxaca page at www.paridad.us/oaxaca

“This has been an incredibly introspective experience. I’ve been challenged in many ways and have had to dig deep to really understand what all of this has meant to me both personally and professionally.”

“It was mind blowing! I’m so grateful for the visits to see the artists and cannot wait to share the experiences with my students and connect with them. I have so much pride for their culture and feel blessed to access it . . .”

Institute Staff

John F. Hilliard

President & Co-founder, Paridad Education Consulting
John has devoted his professional career to bringing parity to the field of education, hence the origin of the name *Paridad*. Throughout his 25 years in education, he has played a variety of roles, from award-winning bilingual teacher, to university instructor, to nationally recognized professional developer. More importantly, John brings his deep expertise, enthusiasm, and love of all things Oaxaca to our Institute.

Margo Gottlieb

Author
Margo has devoted her professional career to collaborating with educators of multilingual learners. As a teacher, consultant and mentor, she has worked with universities, organizations, governments, states, school districts, and schools. Always striving to empower multilingual learners and their teachers, Margo has participated in national advisory boards and task forces. In her spare time, Margo has authored, co-authored or edited 20+ books largely dedicated to equitable assessment for multilingual learners.

Cristina Sanchez-Lopez

Senior Associate
Cristina deeply enjoys collaborating with practitioners in developing instruction, intervention and assessment for multilingual learners. In addition, she derives great satisfaction from teaching graduate courses for in-service teachers on biliteracy, assessment, and foundations of language minority education. She has delivered graduate courses for American educators visiting Oaxaca over the last 15 years.

Dr. Carmen I. Ayala

Guest Presenter
Carmen has 40 years’ experience as a teacher, administrator, author and most recently Illinois’ State Superintendent of Education. Her areas of expertise include deep curriculum alignment English Learners and leadership. Her professional passions are equity, diversity, inclusion and belonging. She works with schools and districts using an inclusive and systemic approach where all educators and students can thrive and meet high levels of fulfillment and performance.
